me: yo
me: remember Mr. Funny Guy?
me: editor at ol' D?
me: http://dallasisdblog.dallasnews.com/archives/2011/01/d-magazine-editors-child-enrol.html
Caleb: No?
me: shut up
Caleb: Was he some kind of humorist?
me: read the fucking article
me: knock off your faggot shit
Caleb: This is an awful lot of Dallas-ass bullshit to read about here.
Caleb: How about I just skim it.
me: just the first couple paragraphs
me: he might have to resign
Caleb: Oh me, oh my.
Caleb: Has someone told Mediaite yet?
Caleb: Better get Gawker on the horn.
me: actually, they might very well cover it
me: I'm not going to send it to them, he's assigning me an article and I don't have a contract yet
Caleb: Hey, I hear that.
me: Dog eat dog world, ya know?
me: Media
me: We call it "the biz"
Caleb: You should send him that Talking Heads video.
Caleb: Help him brush up on journalism ethics.
me: I guess this is my fault since I didn't do that yet
